Specialization

Data Science and Artificial Intelligence

Languages

- English
- Hindi
- Telugu

Technical Skills

- Machine Learning Algorithms
- HTML, CSS, JavaScript
- SQL
- Data Engineering
- C
- Java
- Python

K Rushyendra Sujith Kumar

B.Tech - Data science & Artificial Intelligence

Synopsis

Sujith's passion for data science is fueled by a deep curiosity to uncover insights and patterns within vast datasets. This analytical mindset, coupled with a keen eye for detail, allows Sujith to approach complex problems with a systematic and logical perspective. Sujith understands that data science is not just about dealing with numbers and code; it's about addressing real-world issues and generating value from data-driven decisions.

Academics

Woxsen University | Hyderabad
2021 - 2025 | **Bachelor of Technology : Artificial Intelligence and Data Science**

Excellencia Junior College
2019 - 2021 | **Intermediate**

Sadhu Vaswani International School | Hyderabad, India
2011 - 2019 | **School**

Certification

- **2022 | Data Analysis with Python**
- **2022 | Data Visualization with Python**
- **2022 | Getting started with Azure IOT Hub**
- **2022 | Introduction to Data Engineering**
- **2023 | AI for Everyone**
- **2023 | Python for Data Science, AI & Development**
- **2023 | Exploratory Data Analysis for Machine Learning**
- **2023 | Introduction to Big Data with Spark and Hadoop**
- **2023 | Getting Started with Power BI Desktop**
- **2023 | Social Media Data Analytics**
- **2023 | AWS Fundamentals**
- **2023 | Introduction to Web Development**

Professional Skills

- Leadership
- Team Management
- Event Management
- Problem solving

Hobbies

- Basketball
- Badminton

Projects

- **High end Image registration and Authentication**
- **T5-and-Bart-Model-Training-and-Evaluation**
- **Chatbot Project with Llama2 and Streamlit**
- **Snake Game using Java**
- **Automated Irrigation System**
- **Live Code Space using Express, ReactJS, nodeJS**

Co-CurricularActivities

- Vice-President of Technology Club
- Researcher at Center of excellence - meta - tech
- Lead Organizer - Hackathon, workshops and Competitions
